

Support and grow
your district

10% discount for districts!

A woman with long dark hair, wearing a yellow t-shirt, is smiling and looking towards a group of children. The children, also in yellow t-shirts, are standing in a line, some with backpacks. They are outdoors in a lush green forest setting. The woman appears to be a Scout leader interacting with her group.

Transforming Scouting in the UK

Online Scout Manager has been developed by Scout leaders for Scout leaders to do everything leaders need, and it is now used by over 85,000 UK leaders! They tell us how OSM has helped them and their groups, and some even say that they would have had to quit Scouts if it wasn't for OSM!

Online Scout Manager takes care of badge records, programme planning, contact details, communication, events, census, finances, attendance register and much more.

We would like to work with your district to help you support your leaders and grow. We are pleased to offer you a 10% discount - get in touch with us to find out more!

Designed by leaders for leaders

Leader features

Give your leaders everything they need to manage their admin online so they can spend more time improving their youth programmes and getting their social lives back!

- Quick and easy record keeping
- Badge management
- Online payments
- Programme and event planning
- Parent portal and communication
- Financial management
- Works offline too - **any device, anywhere, anytime!**

District features

We can help you monitor your district to see how your groups are performing with some great district tools.

- Group, section and waiting lists sizes
- Age distribution
- Retention
- Badge progress
- Number of events

“ Online Scout Manager is amazing and has revolutionised my life. I now enjoy organising activities and events because I know the information will reach the parents and they will let me know if their child will attend. Contact details are available at the touch of a button and there’s amazing activity ideas which are linked to badges. You are brilliant! ”

Pip, 28th Oxford Scout Leader

“ Online Scout Manager is truly first class. One truly marvellous feature is that it gives you access to literally hundreds of programme ideas (which are building all the time) which have devised by fellow Scouters to help achieve both Challenge and Activity Badges. These ideas alone make the subscription worth every penny. ”

Alan, Ash Green Scout Leader

10% discount for your district

We would like to help you and your leaders grow the movement by reducing their admin time so they can concentrate on delivering great programmes.

We are please to offer your district 10% off Gold and Gold+ subscription levels. Get in touch to find out more about how we can help your district.
